

SUMMER BREEZE

Summer Breeze brings together paintings and drawings that delight in the hazy tranquility of summer...

Sparkling sunlight on water, sun scorched wayside flowers, the smell of sand and pine.

Green shimmering leaves, flowers in a vase collected from a morning walk, the space between trees.

Thumbing through recipe cards in your bare feet, a front porch BBQ, napping in a wet bathing suit.

Golden light on a warm yellow field, a buzzing bee, lines of blue that fade toward the horizon.
